General Accounting Office, 2003 OCLC Number: (OCoLC)53074589 Subject: Housing -- United States. Excerpt: . . . Major Performance and Accountability Challenges to develop the electronic environment within the Office of Single Family Housing to support the LASS function. HUD reports that the LASS will be modified during fiscal year 2003. In June 2001, the Inspector General reported that HUDs Philadelphia Homeownership Center needed to strengthen its monitoring of management and marketing contractors and its existing follow-up procedures to ensure that significant and recurring performance 13 deficiencies were reported and more closely monitored and tracked. As a result of these deficiencies, contractor performance problems were not corrected and subjected HUD to the higher risks associated with poor property conditions. According to HUD, it is taking corrective actions to address the Inspector Generals concerns, including using a new performance evaluation tool and taking action against one contractor. HUDs reviews have indicated the need to better incorporate the results of property inspections in assessments of contractor performance, and the department is exploring options to use this information more effectively. In September...
