Reviews

Completely essential go through book. This is for all who statte there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Lydia Legros)

HINDU MUSIC (TWO PARTS BOUND IN ONE)

Low Price Publications/D.K. Publishers Distributors Pvt. Ltd., New Delhi, India, 2010. Hardcover. Book Condition: New. Dust Jacket Condition: New. In the first part, the present collection, notwithstanding its short-comings, will be received with indulgence by those interested with the revival of Hindu music. It also provides a further collection of the views of foreign writers on Hindu music which has been placed in the second part. The first part contains extracts from almost all the eminent works on Hindu music found in the English language. The similarity of the music of Egypt and Greece to that of this country has been traced and pointed out: harmony and melody have been compared; and time noticed. The varieties of song have been enumerated, and the character of each detailed. A brief account of the principal musicians has been superadded and the work concluded with a short alphabetical glossary of the most useful musical terms. Printed Pages: 447 with 4 plates 1 folded illustration.
