NOAH WEBSTER

University Press of the Pacific, United States, 2004. Paperback. Book Condition: New. 275 x 56 mm. Language: English . Brand New Book ***** Print on Demand *****.A biography of Noah Webster, the man who compiled Webster s Dictionary, one of the great dictionaries of all time. At the time of original publication in 1883, Harper s Monthly said this book . .is so spirited and enthralling . and its pictures so teem with the bustle, the movement, and the activities of the real life of a bygone but most interesting age, that the reader lays down the book with a sigh of regret for its brevity. Horace Elisha Scudder (1838-1902) was a prominent man of letters, and for eight years he was editor of the Atlantic Monthly. Mr. Scudder was the leading advocate of introducing literature into the schools at a time when such advocacy was uphill work, and he edited a great number of literary classics for school use. He wrote a number of historical and biographical works of value.
