Abingdon Press. Paperback. Book Condition: New. This item is printed on demand. Paperback. 119 pages. The Switching Hour is that time both hoped for and dreaded, when children go from one world to another as they shuttle between divorced parents. Written from the child's point of view, this book will help parents simplify family life as children transition between parents. Filled with facts and practical advice, The Switching Hour stresses that, even with the best intentions and parenting skills, children and parents must come to terms with living divided lives. Div., LCPT is the founder of A Talking Place Pastoral Counseling Service in Brentwood, Tennessee. D. from Vanderbilt University in Nashville, Tennessee where she is currently a lecturer in pastoral theology and pastoral counseling. In addition, she is a Diplomate in the American Association of Pastoral Counselors. Besides parents experiencing a divorce, The Switching Hour should be read by every teacher, child care worker, minister and children's worker. Perhaps every lawmaker, judge, lawyer, social worker, and welfare staff should also be required to read it. --Linda Ranson Jacobs, DC4K (DivorceCare for Kids) Executive Director. To read and use this book is to be confident that our children in our homes, churches and synagogues will be loved, protected, listened to,...
