

A Text Book on Civil Government in the United States (Classic Reprint)

Filesize: 7.48 MB

Reviews

The publication is easy in read through better to recognize. It usually will not cost too much. You wont feel monotony at whenever you want of the time (that's what catalogs are for concerning when you question me).

(Rebecca Bechtelar)

A TEXT BOOK ON CIVIL GOVERNMENT IN THE UNITED STATES (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from A Text Book on Civil Government in the United States The attention of teachers is invited to the five distinctive features of this book: - 1. Its full statement of principles. A knowledge of these principles will be found of value not only in studying our own institutions, but also in studying ancient and modern history. They furnish a standard by which to test the various governments that have existed, and often explain the influence that those governments have exerted. 2. Its comprehensive plan, embracing the state, county, city, and town organizations, as well as that of the United States. As every citizen takes part more directly in the local administration than in that of the general government, he needs to understand the powers and relations of the state and municipal governments. 3. Its historical method. The endeavor has been to show not only what our free institutions are, but why they are, by tracing their development from germs in the early English constitution through the colonial and revolutionary periods of our own history. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
