Brand New Book ***** Print on Demand *****.Loco knows he ll give his life in the line of duty as a Wind Warrior sooner rather than later, but once he meets his new neighbor, Oakley, he has something to live for. Love. Loco lives in the fast lane. A traumatic event in his past haunts him, spurring him on to perform increasingly more dangerous and heroic feats, impressing others but doing nothing to satisfy the guilt eating at his gut. Understanding that he will die in the line of duty one day, Loco accepts the fact as his due. Oakley is Loco s other half, sharing his condominium. Carrying her own deeply buried scars, she recognizes the man for what he is-intensely brave, devoted, and struggling with inner demons. As they grow closer, she finds her frozen heart thawing and vows to love the tough hero and stand by his side through thick and thin. Can he allow Oakley into his heart and his life, knowing that he will leave her a widow sooner rather than later? Or can they learn to trust one another and finally realize that just maybe they are meant to be together?.
