Low Tide Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Here s a Blank Journal with Lined Pages for Lavender Lovers For gardeners or commercial growers, this robust paperback journal is 6 x 9 inches with 160 pages lined and ready to capture your lavender-growing journey. This is the perfect place to make notes about everything from favorite plants for culinary uses to fragrant varieties for crafting. In the years to come you ll have a very personal record of the time spent planting and using this fragrant herb. Sometimes just picking up a favorite pen is an inspiration to record thoughts as you progress as a lavender grower. Capture the feelings and anticipation as you plant your first bushes. Keep a written record to complement photos of friends and family who helped during the planting. Collect your favorite recipes using lavender in cooking or creating lotions and soaps. Capture special lessons learned at lavender-growing conferences and workshops. And there are a couple of special features in this blank book: It s not quite blank. For inspiration, we ve included a great collection of quotes about lavender, gardening, and more. A special feature is the 10 quick tips on growing lavender that we ve included among the first pages of the journal. The pages are also lightly lined so your notes are easy to capture. A Lavender Grower s Journal makes a great gift for any gardener or lavender fan among your friends or family!.
