BOSTON UNITARIANISM 1820-1850: STUDY OF THE LIFE AND WORK OF NATHANIEL LANGDON WORK (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Boston Unitarianism 1820-1850: Study of the Life and Work of Nathaniel Langdon Work A word of explanation seems to be necessary. Many years ago I proposed writing something in memory of Dr. Frothingham, but abandoned the project on account of the meagreness of the biographical material. Within the twelvemonth, a warm friend and admirer of his asked me to prepare a memoir. Then the matter was reviewed once more, and it occurred to me that some reminiscences of my father might be woven into a sketch of his time. This has been attempted, with what success others must judge. So much is certain, that if I did not undertake the task nobody else would. This will account for the mixture of denominational concerns with personal details. It is needless to say that the author writes as an historian, not as an advocate. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
