The Crystal in the Burning Garden

By Johnathan Abraham Antelept

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.A collection of 28 philosophical poems from Johnathan Abraham Antelept. THE CRYSTAL IN THE BURNING GARDEN is oneness. It is synthesis of the disparate. It is creation from the wellspring, through will and pure vision. It is rising from what was debilitating. It is seeing new horizons standing risen on mountains. On the contrary, but not in contradiction, it is the digging through deepest depths in search of the crystal: the prism of perspective. It is the balm for burning gardens, as the Earth is in need. THE CRYSTAL IN THE BURNING GARDEN is about discovery, wisdom, revelation and consciousness. It is revolution, passion, love and camaraderie. It is lineage and birth, inheritance and legacy. It is the respect for Mother Earth and the compassion for all things. It is concerned with the Western industrialized obfuscation of spirit. Now is the most pivotal moment in human history. THE CRYSTAL IN THE BURNING GARDEN is aware. Sample Poem: E-Merging Retrieving crystalline like birthing Caesar, Realizing inner season Blooming like acacia flower. Polish it for progeny To yield like father...

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
