Comprehensive, thought-provoking and paradigm shattering with the power to change lives for the better. Readers sensitivity and compassion for all fellow animals will be dramatically elevated whilst they learn that all-inclusive compassion also elevates our compassion and treatment of the human animal with enduring, positive consequences as to how we treat each other. Those suffering with bereavement by the loss of an animal companion will be greatly comforted with the deeply moving evidence of their post-death survival clearly documented in these pages while all readers will have a deeper understanding of fellow animals and will never again view their animal companions in a limited way. We also look at the vegetarianism since birth of Jesus brother, James, who led the first followers of Jesus, the vegetarian Jewish-Christians, from Jerusalem, in accordance with Jesus wishes for several decades before orthodoxy assigned James to the historical scrap heap. Two thousand years of Pauline theology alongside 500 years of Lutheran moulding of...
