Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Lets Read, Elizabeth Crosby Stull, This unique resource helps educators spark young children's interest in learning the alphabet and develop beginning reading skills right from the beginning to the close of school. Included are over 500 ready-to-use individual and classroom activities designed to be used sequentially, from one month to the next, to build skills, relate reading to other curriculum areas, and foster children's enthusiasm for books and learning to read. All activities are organized into nine monthly sections, September through May/June, and include over 100 activity sheets. Each month includes a list of 10 picture books for daily reading, phonics and other basic skills instructions, "ABC Marching Band Letters" for learning letter-sound connections, reading links to holidays and special events, reading links to writing, math, social studies, science & health, author-of-the-month studies and activities, plus 10-13 illustrated reproducible activities.
