CROSSWORD ART PUZZLES IN TRIBUTE TO THE ENGLISH LANGUAGE

ImprintGFW. Paperback. Book Condition: New. Paperback. 122 pages. Dimensions: 11.0in. x 8.5in. x 0.3in. About Crossword Art: First and foremost, Crossword Art is a collection of 100 challenging and nontraditional crosswords requiring aspiring solvers to think outside the box. Combining humor and trivia with some serious mental calisthenics, Crossword Art takes crosswords in a decidedly different direction. Well, several different directions. Each American-style puzzle has been carefully designed around one or more themes that generally dominate the action. While traditional crosswords focus on long themed entries and large areas of white space in between, there is no room to spare here. Themes, pangrams and puns abound in compact designs from a few nasty 11x11s up to 15x15 squared. The differences are apparent in more than simply the grids themselves. With the creative freedom of a blank canvas and no rules, clues are often re-imagined to match the puzzles theme, or warped to make things a bit more difficult. Beyond the crosswords themselves are rewards at the bottom of each page - Challenges and Word Games that often extend the theme. By the time you finish some puzzles and their related games, your finished crossword might just look like a Picasso. There are also some unique features designed to minimize frustration without spoiling the fun. No one enjoys finishing 99 only to be stuck where an old French currency crosses a 19th century opera singer. Crossword Art has an innovative Anagrams page where three of each pages toughest entries can be found. Theme(s) are found in a similar section, both in non-spoiler and spoiler fashion. You can choose to use these features to adjust difficulty or to verify youre on the right track. Some of what youll find: Normal crosswords with crazy clues. Crazy crosswords with normal clues. Crazy crosswords with, well,...
