ANALYSIS OF TEACHERS' DISCOURSE MOVES

Book Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | In Open-Ended Problem Solving Environment | This book examines the ways in which teachers interact with students while students are engaged in solving open-ended mathematical problems. In this book, the teachers' actions were categorized. The data from this study come from a program in which middle school teachers, after completing an innovative after school development program, created environments in which their students solved challenging open-ended mathematical problems. The teachers actions were...
