Reviews

Complete guide! Its this kind of very good read through. This is certainly for all who statte there was not a worthy of looking at. I am just quickly will get a delight of looking at a composed publication.
(Kacie Carroll)

COVER VERSIONS: THE ALBUM ART OF STEVE HARDSTAFF (HARDBACK)

Liverpool University Press, United Kingdom, 2008. Hardback. Book Condition: New. 246 x 216 mm. Language: English . Brand New Book. Steve Hardstaff's work has always been about Liverpool: from ferrying images around for Peter Blake and Jan Haworth for the cover of Sergeant Pepper's Lonely Hearts Club Band to producing the award-winning sleeve for Half Man Half Biscuit's This Leaden Pall . Hardstaff's artwork, often signed under his nom-de-guerre Jacuzzi, has been used by every record label to have graced the city in the last 40 years: posters for The Magical Mystery Tour , artist in residence at the legendary Eric's club, commissions from contemporary labels. Hardstaff established in Liverpool the first music-industry-focused design studio outside London and decades later his work continues to attract local, national and international interest. This volume pulls together for the first time a unique collection of work from one of the pioneers of modern graphic design: from the world's first triple gatefold sleeve (The Strawbs' Grave New World) to work for Led Zeppelin, Fleetwood Mac and Liverpool favourites Deaf School, The Icicle Works, Half Man Half Biscuit, Dead or Alive, China Crisis and others, from work that provoked cries of treason from the tabloid press during the Falklands war to collaborations with infamous Sex Pistols designer Jamie Reid. Complementing a striking collection of images are comments and quotes from musicians and artists who have worked with Hardstaff, - including Jimmy Carl Black (Mothers of Invention), Lee Scratch Perry, Suggs (Madness), Ian McNabb (Icicle Works) and others - elucidating the creative processes that have positioned him as one of the great innovators of the graphic arts and a leading figure in music industry design.
